**INVEST IN A CHAIN OF
MEDIA GUEST HOUSES**

Changing Perspectives about Leisure and Relations. Investment options in a chain of Media Guest Houses.

Today's world is wide spread but minutely interconnected. Human relations are deep-rooted at various levels. Bringing together everyone towards the common goals and purposes beyond space and time requires media intervention today. the editorial vision that connects people for various purposes.

Leisure and Recreation

Positive media platforms have a power to bring people together in the society building processes. Endowment Studios is a Global TV project with a mission to connect people and to keep them connected always.

The mission of Global TV is to connect people to involve them in positive and purposeful conversations. Endowment Studio is taken up as an initiative to create collective media facilities along with leisure and recreation. Anyone who has a social orientation can take up an Endowment Studio project with us.

Memories are a treasure for many successful people.

Expressing Gratitude

The basic idea of Endowment Studios is to celebrate memories and to express gratitude towards the people and circumstances that had played a role in shaping our future. Past memories are a treasure for many people.

Founding members will own the studio

Endowment Studios is for creation of media facilities as a support system for the people who do social entrepreneurship and service initiatives. It is also an investment possibility with high returns along with leisure.

Rural Locations with tourism potential are selected for Endowment Studios. It will also become a connecting point for expansive visions, relaxation stations, and empowering campaigns. It gives life to the society.

Collective investment for Visionary initiatives is the idea of Endowment Studios. The initial investment will increase in value in many ways. Founding members of each studio will have ownership of the studio. The valuation of the studio keeps increasing year after year.

WELCOME HOMES & SMILING EDITORS

"Welcome Home and Smiling Editors" is a theme to connect spacious houses with dynamic editors. A Network of welcome homes in cities and villages all over India will become part of the Endowment Studios. This will increase the inflow of people to cities and villages, thereby supporting economic growth.

"CONNECTING COMMUNITIES,"

Endowment Studios is more than just a content provider; it's a community builder. Through its interactive platform, participants have the opportunity to engage with each other, share their stories, and to be part of a global dialogue. Endowment Studios will foster human relations that transcend geographical distances through social media, online forums, local channels and virtual events.

The ethos of Endowment Studios is encapsulated in its tagline: "Connecting Communities, Changing Perspectives." By bringing people together from diverse backgrounds and providing a platform for meaningful exchange, the studio aims to break down barriers, and to build a more inclusive world.

"CHANGING PERSPECTIVES."

At Endowment Studios, the objective is to build cordial relations to create meaningful conversations. People come together to foster understanding and celebrate the diversity of human experiences. Endowment Studios serves as a platform for connecting people and telling their success stories. It will also initiate collective action to empower the local communities in coordination with one another.

Endowment Studios is driven by a vision to connect local people globally and vice versa. With a diverse team of passionate creators hailing from different corners of the world, the studio is committed to crafting content that connects people across cultural boundaries. Success Stories of global personalities and their heart warming memories will explore the values of human relationships. Great things happen when people are connected with one another on a simple theme of helping people and supporting each other for growing together with one another.

3 Decades Plus Media Experience

The Power of Media

SHOULD BE POSITIVELY USED TO
CONNECT PEOPLE AND COMMUNITIES...

The role of media in shaping our collective consciousness has never been more critical than today. Endowment Studios can stand at the forefront of a pleasant movement.

We can harness the power of storytelling to create a positive social change and inspire audiences to see the world through a new lens. The world is divided on various grounds.

Division often seems to overshadow the unity in diversity. Endowment Studios will help us to be connected with our roots. We are stronger than ever when we come together.

Will you kindly join us on this journey as we connect local people globally? This is the idea of the Endowment Studios; where every story matters and every person important.

Global TV has a Mission

THE PRINCIPLE OF COLLECTIVE OWNERSHIP

The principle of collective ownership posits that resources, property, and means of production are owned and managed collectively by a group or community rather than by individuals. This ideology aims to distribute wealth and power more equitably among members of the collective, fostering cooperation and solidarity.

Collective ownership promotes economic democracy and reduces inequality by ensuring that the benefits of resources are shared among all members of society.

MANY PEOPLE ASK ABOUT WHAT WE AT GLOBAL TV DO SO METICULOUSLY AND SO VIGOROUSLY AND ABOUT HOW IT IS GOING TO FETCH AND ADVANTAGE FOR EVERYONE INVOLVED IN THE PROCESS?

- GLOBAL TV IS A LARGE NETWORK OF EDITORS AT VARIOUS STREAMS AND LOCALITIES. CONNECTING PEOPLE GLOBALLY, CONVERTING THEM TO BECOME EDITORS AND GETTING THEM NETWORKED BETWEEN THE POTENTIAL OF THEIR ROOTS AND THE OPPORTUNITIES OF THEIR EXTENDED NEIGHBORHOODS IS THE PRIMARY MISSION OF GLOBAL TV. WE RESPOND TO EVERY OPPORTUNITY THAT IS OPENED UP IN FRONT OF US AT EVERY MOMENT. OPPORTUNITIES COME EITHER DIRECTLY OR THROUGH VARIOUS WINDOWS OF OUR GLOBAL CONNECTIVITY WITH PEOPLE WHO ARE INTELLECTUALLY BRILLIANT, SOCIAL ORIENTED AND HUMANITARIAN IN OUTLOOK.

Campuses can do a massive campaign to get their alumnus connected and engaged. Media within the campuses with NSS Volunteers and NCC Cadets can make it a huge program. Such initiatives will help the campuses in their admission drive year after year with the referral network auto generated.

ROOTS & FRUITS

Roots beneath the soil shape the growth of a tree. Gathering knowledge about our rich tradition will strengthen our roots.

Associating with diverse individuals and communities from our roots will foster and faster our growth along with those around us. Guided by values and aspirations, we bear the fruits of our labor, spreading seeds of hope and inspiration to others. With encouragement and support, we empower one another to reach new heights, knowing that our roots provide the foundation for the fruits of our success.

Roots and fruits are connected in the cycle of growth and sustenance.

Our roots and fruits are intimately intertwined. Our connections with family, culture, and community provide us stability and support. As we nurture our roots with care and intention, we pave the way for the fruition of our endeavors. The fruits we bear, whether tangible achievements or intangible blessings, are a testament to the strength and resilience of our roots. Conversely, the fruits we yield should nourish the soil of our roots, fostering growth, and continuity. The cycle continues to support each other.

ACADEMIC CAMPUSES TO CAREER CAMPUS A PROFOUND TRANSFORMATION

- **Transforming Your Campus: From Academic to Career-Oriented with a Spotlight on Emerging Opportunities in Sports**

The landscape of education is rapidly and positively evolving. There arises an urgent need to transform the academic campuses to be and to become dynamic career-focused environments.

Entry of professionals into the academic arena is more crucial today than ever. Providing lucrative careers is the only way to keep ambitious students from migrating to foreign universities.

For many campuses and universities in India, the challenge lies not in imparting knowledge but in producing employable graduates ready to face the demands of the professional world. This is the vision that the central government presents in its skill education mission. Unfortunately, the campuses mix theoretical modes in all streams of practical education.
